Re: Tim Presswood

I am pleased to provide this letter of recommendation for Tim Presswood.

I had the pleasure to work with Tim in his capacity as Project Superintendent for MJ Dixon Construction Ltd. during a facility renovation and construction project at the Brantford Police Station, which has taken place over the past eleven months.

In his capacity as Project Superintendent, Tim has acted in a very professional manner and his perseverance and cooperation have been helpful to bring this project to a successful conclusion. Although the project schedule has had challenges due to inclement weather, he has dealt with issues on a timely basis and worked effectively with the sub-trades.

I would not hesitate to recommend Tim for a position as Project Superintendent.

Yours truly,

Derek V. McElveny  
Chief of Police
