RE: Brantford Police Site Supervisor- Tim Presswood

This letter is a personal recommendation for Tim Presswood.

On the recently completed Brantford Police Addition and Renovation Tim acted as the site supervisor for the general contractor on the above said project. As the Architectural Lead on the project, I was involved with Tim on a number of issues that had arisen on site, on many occasions. In all circumstances Tim was willing and capable of collaborating on solutions to site problems while maintaining the operation of the job site.

Sincerely,
