TO WHOM IT MAY CONCERN:

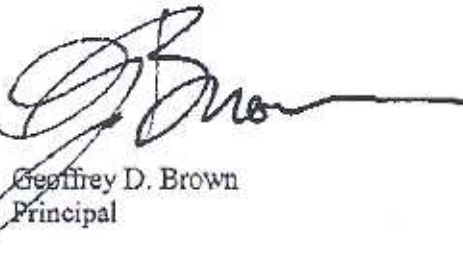

We have had the pleasure of working with Mr. Ali Farahzadi over the past two years while he was in the employ of M. J. Dixon Construction Ltd.

During this period, we have found Ali to be honest and forthright in his dealings with us, and believe he acted with a level of integrity not always found in this industry.

We found him to be a competent project manager, whom we knew we could depend on, and have no hesitation in recommending him to others, should the occasion presents itself.

Yours very truly,
