RE: City of Brampton  
Human Resources Renovation, City Hall

Dear Paul,

On behalf of the City of Brampton and myself, I would like to thank you for the effort you and Harry displayed in the construction of our City Hall Human Resources Renovation Project. In particular, your ability to complete the work given the tight schedule requirements, and the sensitive surroundings of working in an existing occupied facility was especially important to us and well appreciated.

Once again, thank you for your efforts, and I look forward to our working together again.

Mike Ferraro
