2600 Edenhurst Drive, Suite 200,
Mississauga, Ontario. L5A 3Z8

Dear John,

Sir: With Regards to the two projects just completed, Scarborough Cafeteria Renovations and the UTL Project at downsview, on behalf of University of Toronto and myself, I would like to thank you for the effort Adnan Hashmi displayed in the construction of our Scarborough Campus H-Wing Cafeteria Project. In particular, his ability to complete the work given the tight schedule requirements, and sensitive surroundings of working in an existing occupied facility was especially important to us and well appreciated.

Ezzio Divona, your construction site supervisor was very knowledgeable, helpful and most co-operative at the Library Storage Facility. I found Ezzio to be very friendly, and worked well with all of the subcontractors as well as the Client. Ezzio always kept me informed on the project and I was very impressed with the efficiency and cleanliness of his job site.

Throughout the projects, I have been very satisfied with Mr. Hashmi's and Ezzio Divona's performance. They are thorough, responsive and professional. I have no hesitation in working with them again on a similar project in the near future.

Sincerely,

Wm. Townson, Construction Co-ordinator
